

Automate your travel expenses

Digitize your receipts

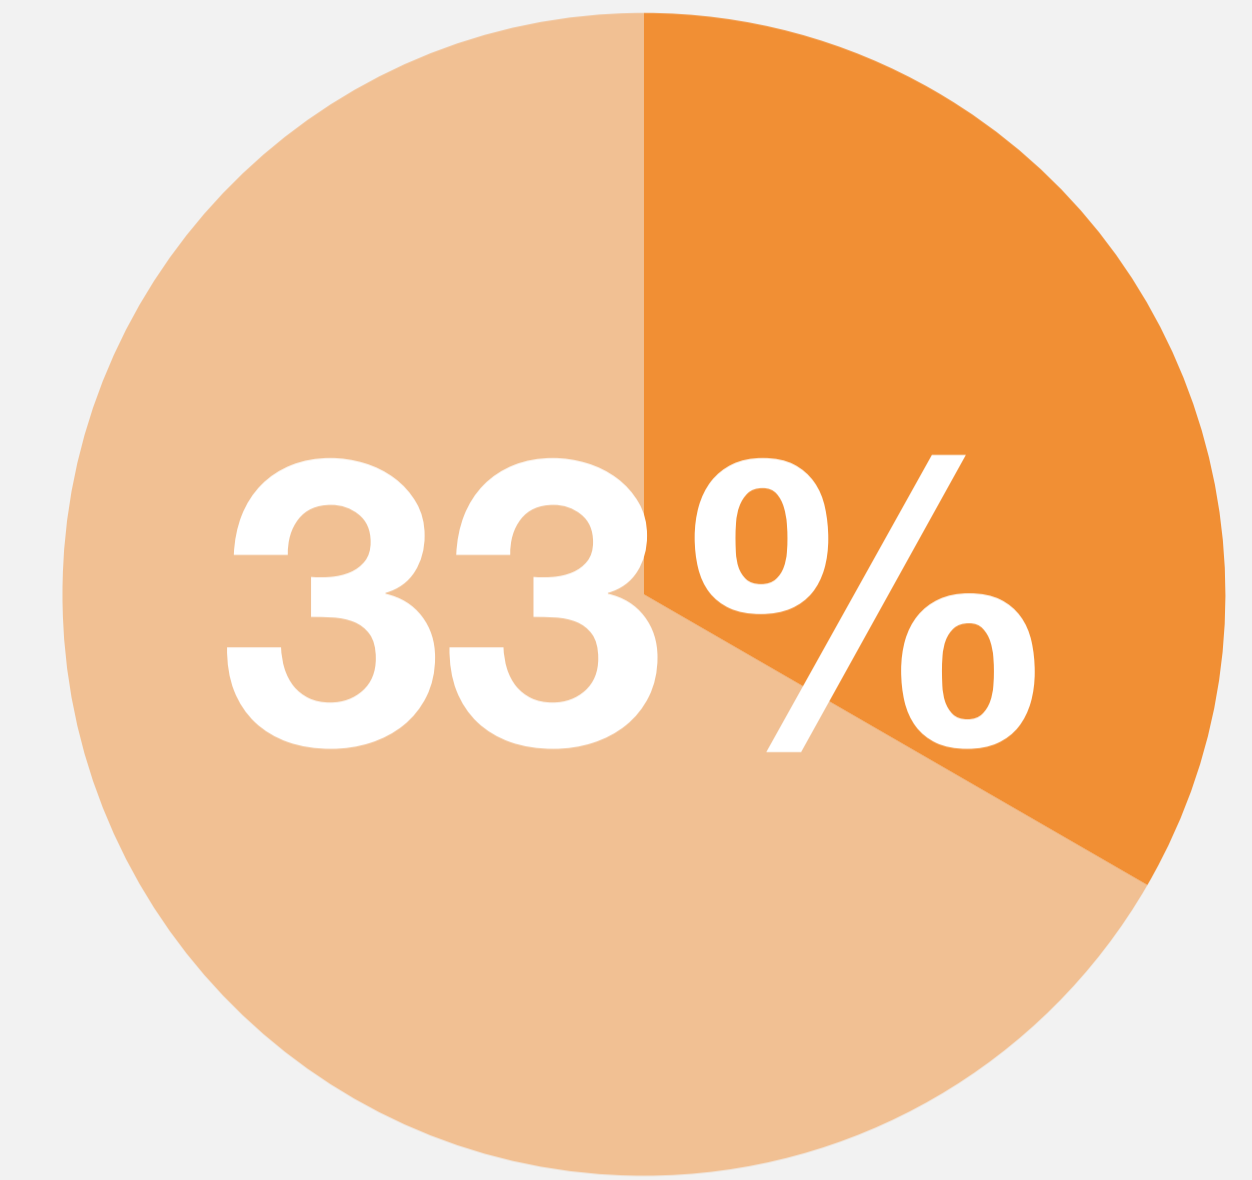

Save time

Reduce admin

Improve accuracy

Reporting on the go

No more illegible piles of receipts at the end of every month.

With Companyexpense, you get a smart automated solution that makes life easier for users, managers, accounting and payroll.

Simplier

Report receipts, card purchases, per diem, entertainment and milage allowance all using the same app. Keep everything in one location.

Faster

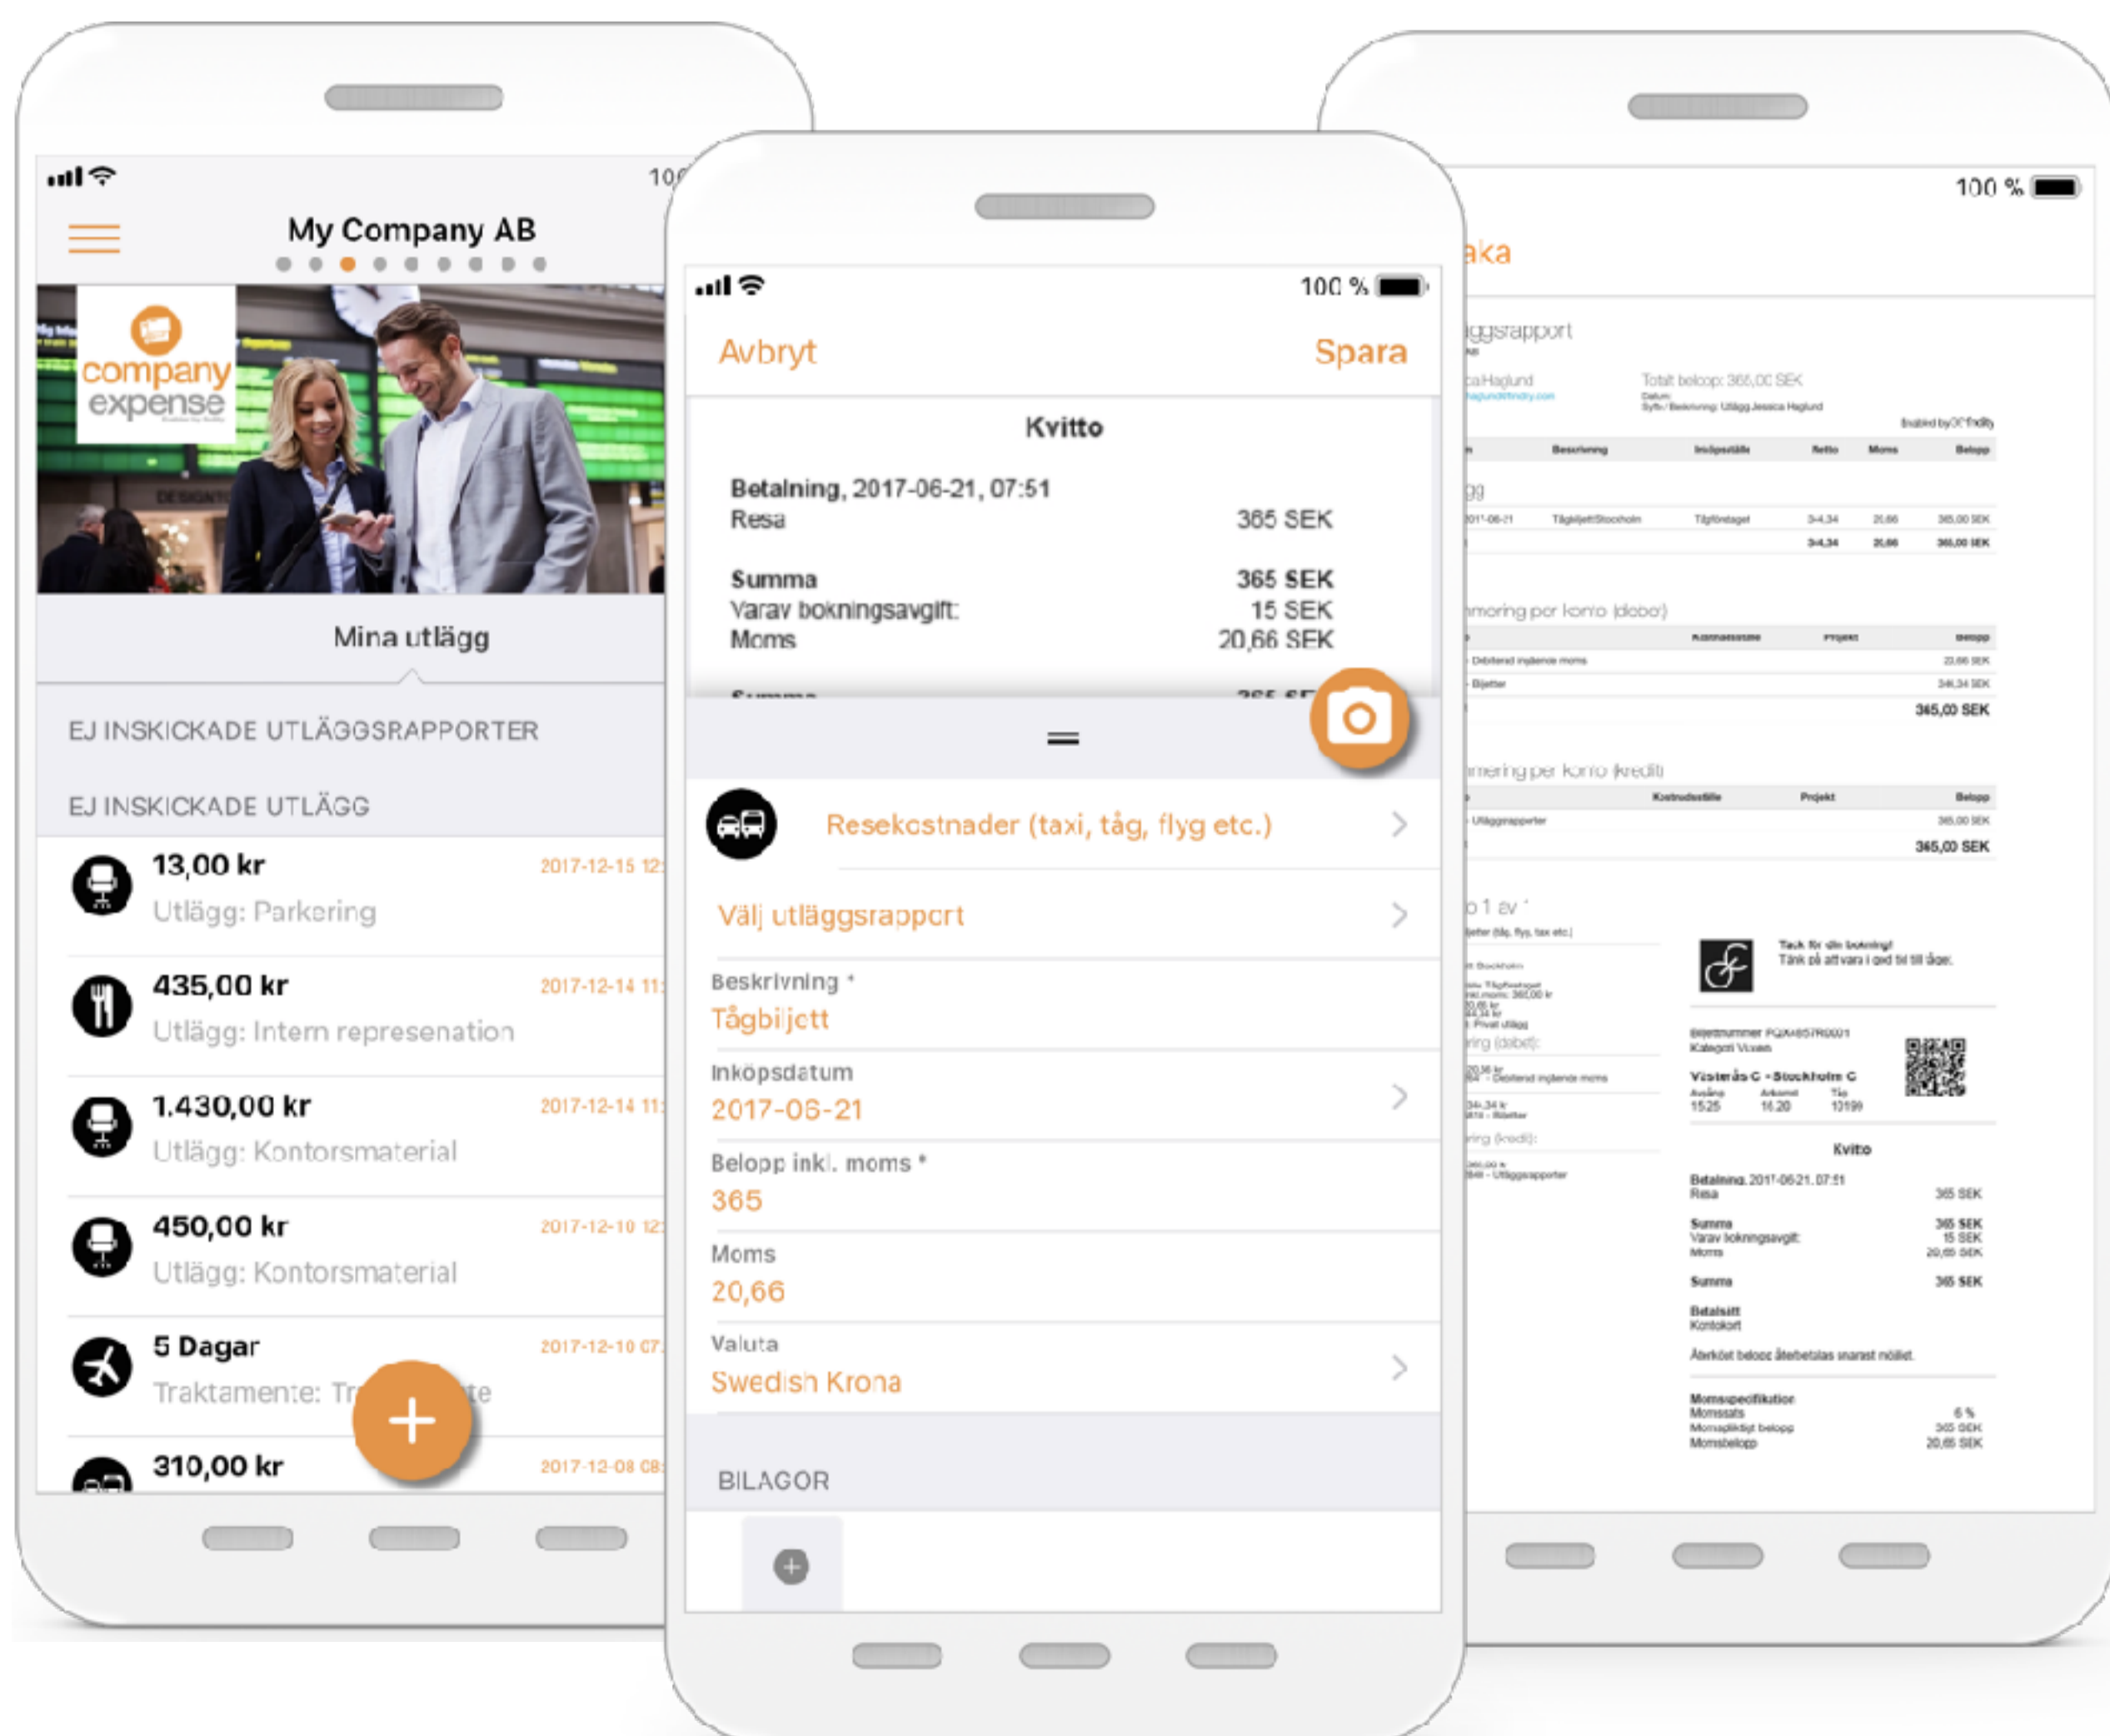

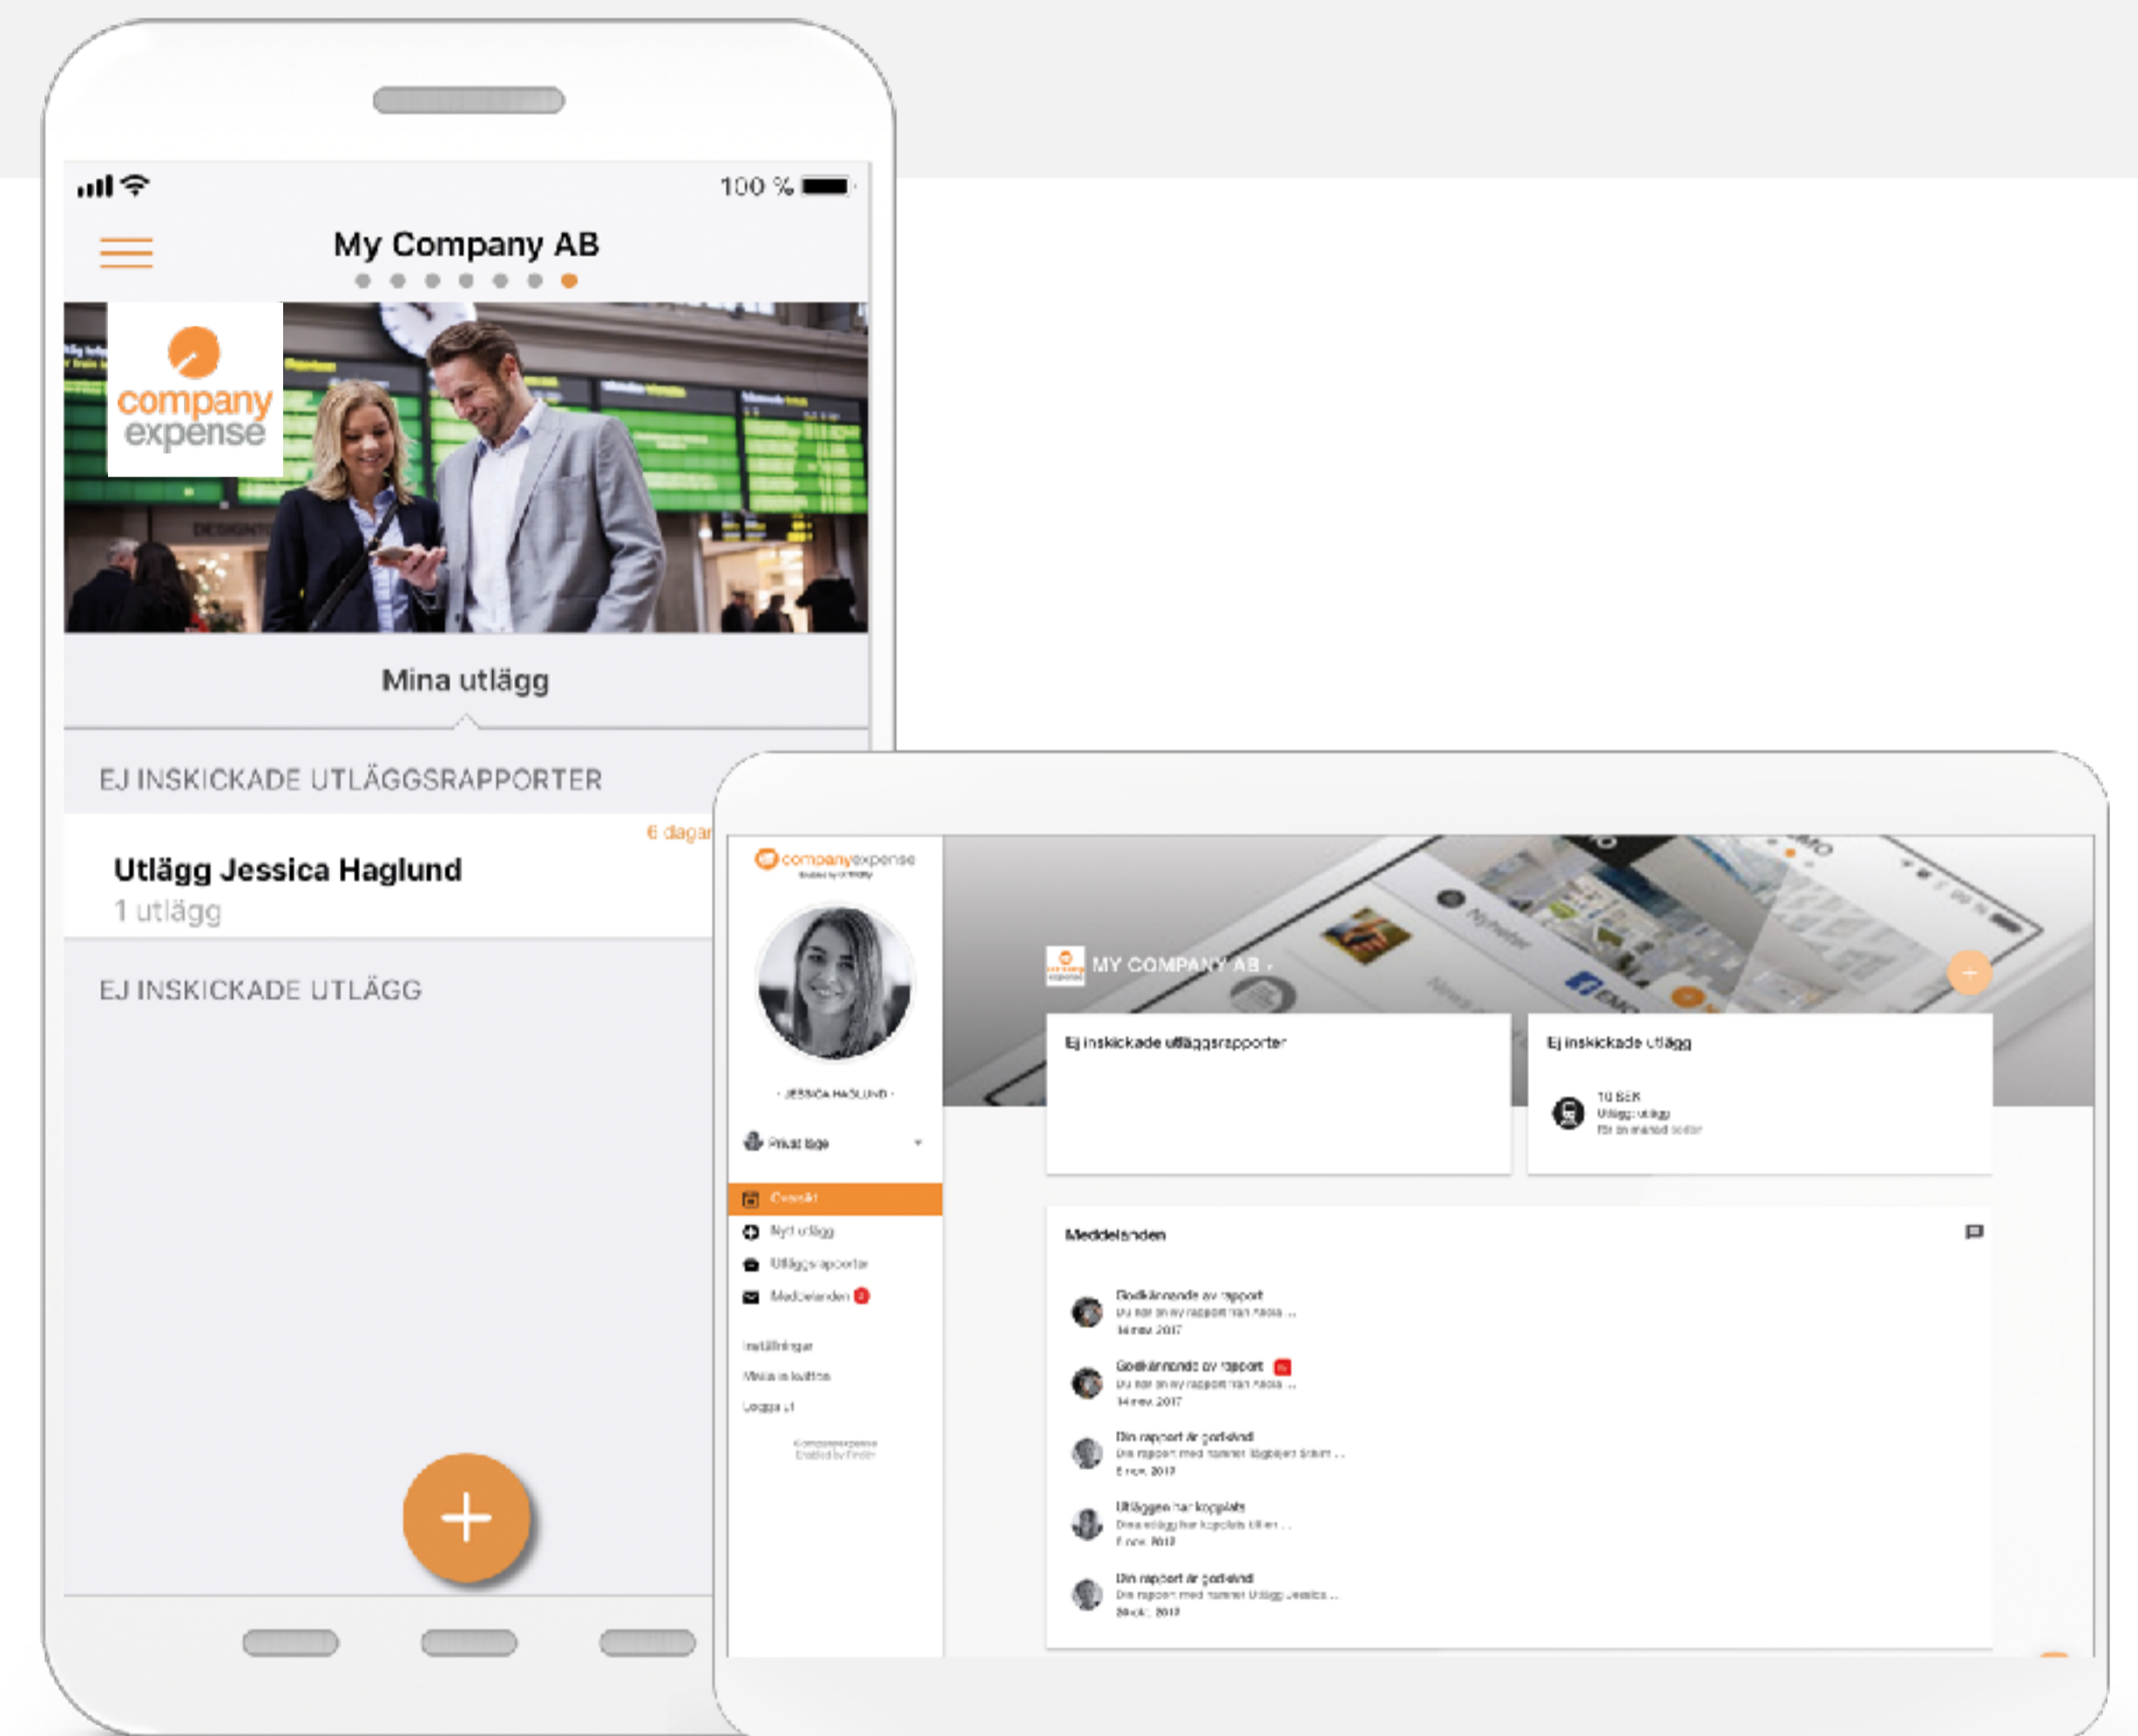

Report as soon as you've bought. Submit to your approver who approves on their phone. All entered automatically. Seamless and speedy.

Smarter

Use our app to automatically read receipts and extract the information. The app does the heavy work for you. All you have to do is check and submit.

More fun

Our digital solution is self-learning and automatic. It helps your to things right. Simply put, with our app, expense reports can be more fun.

How it works

Buy the train ticket for your business trip.

Use our app to either forward your digital receipt or take a photo of the paper receipt.

The app automatically reads the receipt. You create your expense report and submit it.

Your manager approves it and you get your money back.
